All-inclusive Stinging Insects Program Protect your home & family PLUS SAVE 25%!

This is the most comprehensive stinging insects program available!

Guaranteed for the season ▼ Tall extension ladders used ▼ All exposed nests removed

- The *first application* is performed from *late April to the end of May*—this treatment eliminates emerging wasps or other stinging insects that are trying to establish new nests in and around your home.
- The *second application* is performed from *late June to the end of July*—this follow up treatment eliminates any remaining wasps or other stinging insect nests in and around your home.
- If you are allergic to stings, sign up for *Priority Response* !
